

Holyoakes Herald

Hot Topic!

Playground provision

Children have been loving the new provision at lunchtimes. From football and hockey, to crafting and Lego building, they have enjoyed every part of it. 😊

Amelia in Rowan class

She answered lots of tricky questions in Geography and History, showing a good understanding of Ancient Egypt.

What a star! Amelia could be a future Archaeologist!

We're proud to show our values...

This half term's value is:

FREEDOM

We have been learning about what it means to us. Sofia from Hazel class thinks it means being able to do lots of interesting things. Sophie from Elm class also thought it meant showing respect and being kind to one another.

We need your help!

To help support our lunchtime and after school clubs, can we please ask for donations of cardboard boxes and large plastic bottles.
