Hot Topic!

World Book Day

A bedtime story...

Everyone really enjoyed coming to school in the PJ's for World Book Day and taking part in a bed time story experience.

A special thank you to the parents that made this magical experience possible. 😊

Zahraa

For paying close attention to the details when creating her own cave drawing.

Well done, what a super star! 😊

We are challenging you...

To be an adventurous reader!

To help celebrate World Book Day, the teachers have been reading in some unusual places, (from on top of a horse, to reading from the peak during rock climbing) so we are challenging you to do the same! Please email your pictures to the office, so we can share these with everyone.

aa

We need your help!

Reflection garden

On the grassed area outside Year 3 & 4, we have our reflection garden. At the end of the day, a few children have been seen swinging on the ropes, and this is causing damage to the posts, so can you please ensure your children keep off this area to help preserve it.
