Hot Topic!

How does plastic pollution affect our planet?

This week year 4 have been working on plastic pollution and how it affects our planet.

Fun fact!

In 2030 scientists believe that there will be more plastic in the sea than fish!

We are challenging you...

Reduce, reuse, recycle!

We are challenging you to use old items at home and turn them into something new!

Send pictures of your creations to the school office for us to see.

Anandhini

For always being a kind and caring member of Maple class.

Thank you for being helpful both in and out of the classroom.

What a super star! 😊

We need your help!

Singing practise

The choir are going to be taking part in a performance soon, so need your help in practising the lyrics at home.

Parents can join in with practising too 😊
