Friday 25th September 2026

Dear Parents and Carers,

Road Safety Concerns

A member of the public contacted the school this morning to report that a child ran into the road between parked cars, causing them to brake suddenly. No one was hurt, but the incident was very upsetting for the driver. Could we remind parents to park safely and take care when crossing the road.

I know that the safety of our children is further compromised by the heavy vehicles who are accessing the road during the times we have asked them to avoid. Mr Jones is continuing to share these concerns with Taylor Wimpey and Persimmon; however, the situation is not improving. It is imperative that the area immediately outside of the school gates is clear so pedestrians can walk their children to and from school safely. **Please avoid parking here.**

We will of course continue to pursue this with the construction firms but ask that you are all extra vigilant during these times.

A very special welcome to our new Office Administrator

I would like to extend a very warm welcome to Ms Murray, who has joined our office team. Some of you no doubt will already have met or spoken to her. Ms Murray is a highly experienced administrator who has held similar roles within educational settings before.

Thank you all for your patience during the transition period when we have been short staffed in the office. Your support and understanding has been really appreciated. I would also like to say a special thank you to Mrs Beech too. She has juggled her own work as well trying to keep the day-to-day business of the school office going.

Zero Waste Week (7-11 September)

We recently asked pupils in **years 2,3 and 4** to take part in our Waste Warrior challenge. Thank you all for encouraging your children to engage in this very important issue. All the children that took part should be proud of their efforts and desire to do their bit for climate change. I really enjoyed reading their diaries and learning about the small changes they were making and how they were re-using or recycling so that they were reducing waste. During assemblies, I have been very impressed and heartened by the very positive attitudes and sense of responsibility our pupils have towards looking after 'their' world. They are all a real credit to you.

A very special well-done and congratulations to the winners of our Zero Waste Week challenge.

Year 2 winners: Robyn & Bella

Year3 winners: Robbyn-Rae & Gracie

Year 4 winners: Dylan & Rivaan

They each received a small prize for their efforts

Parents Evening October 20th & 21st

Our first parent consultation evenings of the year will take place during the final week of this half-term. Once again, you will be able to book these on MCAS. We will send out a reminder when the link is live. As well as speaking with your child's class teacher, we will also provide further opportunities for you to meet with our SENCOs. All meetings will take place after school in the school hall.

DCP Drumming Workshops Monday 28th September

DCP drumming will be putting on a series of short workshops for each class from year 1-4. They are a company that offer drumming lessons and music tuition. If you are interested in this, please look out for the information that will follow on from the workshops on Monday.

Calling all Year 4 parents & carers

This is the time of year when many of you will be thinking about Middle School. Mr. Clifton, Mrs Copestake and Miss Edwards from Birchensale delivered an assembly to our year 4s this morning, along with a special invitation to attend their Open Evening.

Year 4 Assembly & Malvern Residential Meeting

As you know, year 4 will be delivering the first assembly of the year to their family members at 9.00 am on Wednesday 14th October. This will be followed by the first of a series of meetings about the Malvern Residential visit which they will all have the opportunity to participate in. Mrs Millward will be providing you with an overview of the visit as well as important information to help you plan and prepare your son or daughter. We look forward to seeing you all.

Wishing all our families a happy and relaxing weekend.

Yours sincerely

T. Koser
